Dear Homeowner,

We have some fantastic news to share!

Bell's pure Fibre Internet and TV are now available at your address! Our Fibe Internet service offers speeds up to 1.5 Gbps (3.0 Gbps in select areas) with unlimited usage and whole-home Wi-Fi solutions. Bell also offers a superior live and on-demand TV experience with our 4K Cloud PVR. We are offering you a special **limited-time bundle offer that is exclusive to your address** and includes both services!

The safety of your homes, vehicles, and loved ones is also a top priority for you. Bell Smart Home features **24/7 automated and monitored security solutions**. It allows you to receive notifications of activity in and around your home, arm and disarm your alarm from anywhere, control your garage doors, and much more! From Smart locks and connected thermostats, to video cameras and comprehensive alarm systems, Bell Smart Home has you covered!

BONUS: Bring this flyer in store and receive an exclusive gift-with-purchase when you sign up with Bell!
(valid through to June 30, 2025) *

We look forward to seeing you! If you are not able to visit us, scan the QR code below to fill out some basic details, and we will call you at a time of your choice!

Regards,

The Garden City Bell Store Team
