

Harvest Creek Community Update

June 2025

www.VillageonHarvestCreek.com

Annual General Meeting (AGM) is THURSDAY JUNE 26, 2025

**St. Davids Lions Hall 1462 York Road
at 7pm, with sign-in beginning at 6:30pm.**

Wilson Blanchard emailed the “*Notice of Owners Meeting*” AGM package to all owners on June 6. Please review it prior to the meeting. If you're unable to attend the AGM, please fill out the proxy form which will be included in the AGM package. Proxy forms can also be found on the home page of the community website under the AGM notice section.

[Click here to access Proxy with instructions](#)

Once completed, submit it to a board member or another homeowner in the community who will be attending the meeting.

for sanding your driveways!

The community appreciates the attention many residents have paid to their driveway maintenance. The longer our driveways last, the better for the community. Delaying future repairs on the driveways is a positive for the status of our reserve fund. And it helps make the area look great.

The sprinklers are now on. Please make sure no garbage or recycling boxes are placed on top of sprinkler heads, located at the corners ends of your driveways where the lawn meets the street. These heads are very costly to replace.
