Is your neighbour getting  
the newsletters?

Our **Annual General Meeting (AGM)** will be held **Tuesday May 13th** at St. Davids Lions Hall 1462 York Road at 7pm, with sign-in beginning at 6:30pm. If you're unable to attend, please fill out the proxy form which will be e-mailed to you in the AGM package arriving later this month. Please submit it to a board member or another homeowner in the community.

It is the responsibility of  
all residents to keep  
their emails and phone  
numbers up to date with  
Wilson Blanchard.

Otherwise, you may run  
the risk of not receiving  
AGM notices, emails  
and newsletters.

Please pass this tip  
along to those who may  
not be receiving these  
notices.

Mulch will be applied to the gardens in mid-May. We will do our best to keep you informed on the exact date as that information becomes available. Board members will be supervising the process.

All-Green Irrigation will be onsite this month to open the irrigation system. Board members will be accompanying All-Green personnel while this check is being performed. As a reminder, we ask homeowners not to obstruct the sprinkler heads by placing garbage or recycling bins on top of them. The sprinklers are positioned in the grass at the corners of your driveway close to the curb.
