

Harvest Creek Community Update

May 2024

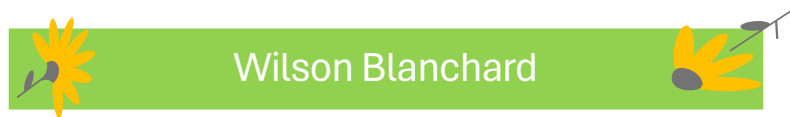

Thank you to everyone who attended the AGM on May 7th. We welcome Chuck McFarlane to the Board of Directors, know he will be a valuable addition, and thank him for stepping up to serve. We also want to thank JoAnn O'Hara and Rick Webster for the time they served on the board.

There will be a **"Summer Kick-Off"** get-together in front of 21 Hillside Drive on **FRIDAY MAY 31st 6:00 pm-8:30pm**. Bob Bieler and Dave Rusch will offer up their guitar/vocal duo. Bring your own lawn chair and beverages, and a table will be out front with bowls where chips, cookies, and snacks can be brought by residents to share (no potluck please, this is not dinner). There is no charge, and all residents of Harvest Creek are welcome.

Once again, we remind all residents that it is important to sand their driveways with polymeric sand to solidify the stone tiles and extend the life of your driveway. Also, keeping your driveways weed-free helps uphold the quality appearance of the community.

Wilson Blanchard Management <https://www.wilsonblanchard.com/> has taken over operations of Chown Property Management.
